

# The Transfer Of Leadership

C. I will be with you constantly

**Scripture: Joshua 1:2-5**

***Joshua 1:2-5 NIV*** “Moses my servant is dead. Now then, you and all these people, get ready to cross the Jordan River into the land I am about to give to them—to the Israelites. I will give you every place where you set your foot, as I promised Moses. Your territory will extend from the desert to Lebanon, and from the great river, the Euphrates—all the Hittite country—to the Mediterranean Sea in the west. No one will be able to stand against you all the days of your life. As I was with Moses, so I will be with you; I will never leave you nor forsake you.

## Conclusion

Step into your future role with absolute confidence that G-d will carry you through to total victory. Do not fear, do not be afraid. For the Lord of hosts is with you.

## Introduction

In no situation is an individual indispensable. G-d always has someone prepared to assume the responsibility when a leader has completed his work. Moses, a great leader, has finished his work, but G-d's program is not completed. Someone else must assume the vacated position.
